Roses are red, violets are blue, this could be the home for you! There is much to love about this comfortable, move-in ready home. For starters, it was completely remodeled in 2008 to include an open floor plan. A new metal roof and guttering were installed in 2018. The deck with built-in benches overlooks the large lot of nearly half an acre. It's time to kiss your landlord goodbye and love where you live!
