Description: Pasture and woods.

Beautiful land with 60 M/L acres with highway frontage. Looking for that perfect spot to build on or to put in subdivision out side city limit this could be for you. Pasture, woods and part of land used for farming a few years ago. Great place for hunting deer and turkey. Land could be commercial for business because of highway frontage on north outer road. County water is available. There is a small 2 bedroom home located on property.
