Some recent updates have been made to the mobile home including new flooring and a new window heat and air unit. A little paint and some TLC and this would make a great place for you to live and have access to the concrete block shop. The shop includes a place for a complete bathroom which will need to be updated because the previous bathroom had to be removed. Are you searching for a commercial building without the mobile home? How about a great place to build a home and have a shop? Let's make a deal. The mobile home can be removed by the owner if you don't want it.
