Double-wide mobile home sitting on about 1/2 an acre, m/l, with a barn and an additional outbuilding is available for you to move to the country today! Manufactured in 1994 with some recent updates, but a little TLC, like paint, would give it a "facelift" & brighten some of the rooms. An eat-in kitchen w/a snack bar and a separate, open, dining room allow for a larger gathering space for your family gatherings. Ample counter space in the kitchen including a built-in "desk". A cozy, electric fireplace in the living room is a great addition to knock the chill off the evening and provide a mantle for decorating for holidays. Primary bedroom includes a full bathroom & a walk-in closet. Needing storage? You won't be disappointed w/storage provided with this home. Want to just relax on your front porch? Ramp included but can be removed. You have that option, too. A large, covered front porch can also be a great place to put a grill or to add some steppingstones in the back for a patio.
